Wave: FREE Lead Generation Tool

Not only World Class Software products, we provide Wave: Lead generation and automatic marketing software absolutely FREE of Cost.

Wave Software helps you Generate Leads for Admissions as well as Generate Software Leads for your students

Wave is backed with database more than 5 Crore Students that helps you generate admission leads from WhatsApp without any efforts. All you need to do is just login to wave and click on send. There is no need to create any graphics or prepare message content. Wave software automatically spread the advertisement to number of Students on whatsapp and in turn generates admission leads for you.

The screenshot displays the Wave software dashboard. On the left is a dark sidebar with the Wave logo (a colorful wave above the word 'WAVE') and the ID '#220607'. Below the logo, the sidebar lists user information: 'User Code : 9023662626', 'Manoj', 'Mobile: 9023662626', 'Senior : Speed Solver', 'Senior Mobile:', 'Senior Code 1', and 'Sponsor ID:'. At the bottom of the sidebar is an 'Exit' button and the website 'www.solversolutions.in'. The main area of the dashboard is a grid of white cards with blue borders, each representing a different tool. The cards are: 'Admission Leads' (On Whatsapp, Generate), 'Software Leads' (On Whatsapp, Generate), 'Software Leads' (On Facebook, Next: 07:10, Generate), 'Google Maps Data' (Business Contacts, Pull Now), 'CRM' (Manage Leads Effortlessly, A.I. FollowUp, Manage), 'Affiliation Marketing' (Get Product leads from whatsapp, Start), 'Live Classes' (Knowledge is the real power, Start New Session), 'E-Commerce Store' (Create Website In minutes, Flipkart, Amazon, Myntra, Netmeds), 'Rate List' (Modify product rates in Excel, Change Now), 'Campaigns' (Assign Task To your Team, Approve Now, Assign Now), and 'FB Messenger' (Advertise on Messenger, Get Members, Send Ad). At the bottom left of the dashboard, the time '20:33' is displayed.
